GUIDE

Why does Thrive believe in

STEP?

Because **our desire**, is that you would not just attend church, but also hear from God on a daily basis through His word. We believe that doing consistent devotions re-patterns the way we think, transforms our heart, and helps us become more like Christ. So take this daily reading devotional, utilizing the STEP Devotional Plan described below, and imagine the power of our entire church family studying the same scriptures each day.

Scripture

Write down a particular verse(s) that stood out to you from the daily passage of this church-wide reading plan. If you missed a day(s), just jump back in on today's verse.

Think

Write out an observation about the scripture(s) you just read and ask God; what are You saying to me through this verse?

Engage

Personalize what you have read by writing out how this scripture's observation applies to your life right now.

Prayer

Write out a short prayer, believing for this verse to make a lasting impact in your life.

Journaling

Is not a diary, rather a simple and diligent way to both record and process what God has spoken to you. It's also a useful tool to use at a later time when you want to reflect on and review some of the "gems" that you have received. Without writing them down, you may forget those blessings and important lessons!

Furthermore, while journaling is a personal time with the Lord, you may want to share some of your daily journaling with a close friend, so having a written record becomes very important! Through discussion, you may be able to look deeper into what God is speaking to you, gain new insight, and even encourage others!
